

Capitol Hill Visit Feedback Form

You have two goals when you visit with Representatives, Senators, or their staff: (1) to *educate* them about a particular issue and (2) to gather *intelligence* as to Congressional thinking on an issue. Feedback from your Congressional Hill visits is an important part of ANCOR's grassroots efforts. The more information you provide to ANCOR, the more effective our advocacy.

Please return your completed forms to ANCOR staff after your visit. You may fax your form to (703) 535-7860, attention Katherine Berland, email to kberland@ancor.org, or mail back to us at ANCOR, 1101 King Street, Ste. 380, Alexandria VA 22314. You may also give us this information online by completing the survey found here: <http://www.surveymonkey.com/s/DSPstoDC2013>
